## Madurai Heritage Walk: *Vandiyur MariammanTheppakulam* 9.2.2020 Sunday

**Vandiyur MariammanTheppakulam** is one of the biggest Heritage Temple Tanks of South India, constructed by the King Thirumalai Nayak during **1635**. He named it as **Thirumalai NayakarSamuthiram**. This heritage tank with the Mandapam situated at the Center exhibits beauty of Nayak building architecture.

DHAN Foundation in collaboration with INTACH (Madurai Chapter), Travel Club (Madurai), and Madurai Vattara Kalanjyam (Madurai) has organized the heritage walk with the technical support of Dr.V.Vedachalam (Archaeologist) and Dr.G.Sethuraman (Art Historian). Public and Host Communities of Theppakulam area, Leaders and Members of Madurai Vattaram and Heritage volunteers of Madurai –85 members altogether – have participated in the Heritage walk. The brochure on *Vandiyur Mariamman Theppakulam* was released to the Younger generation and participants. The Leaders of Madurai Vattaram proposed to promote Heritage Volunteers to spread the message of cleanliness and conservation activities periodically among the public on full moon days. Please contact [touism@dhan.org](mailto:touism@dhan.org) for any further information.
