

Rapid Assessment on Disaster and Response Report

Region: Gundar Middle & Lower

State: Tamil Nadu

GUNDAR MIDDLE & LOWER REGION

DHAN Foundation in Gundar middle and lower region is working in three districts viz., Virudunagar, Ramanthapuram and Sivagangai. Thiruchuli and Narikudi blocks are covered by DHAN Foundation under Virudunagar district. Mudukulathur, Kamuthi, Kadalladi, Thirupullani and Paramkudi blocks are covered under Ramanathapuram district, and Thirupuvanam and Manamadurai blocks are covered under Sivagangai district. Prior to the lockdown, massive awareness camps were organized by DHAN staff in collaboration of PHC, Anganwadi workers, AHN, NHN, Health departments, Para medical workers and local panchayats.

Altogether 15 families in villages of Thirupulani and Kadaladi are in home quarantines as they are having travel history; recently returned from other countries. In other blocks there are no issues related to Covid-19 cases.

BLOCK-WISE COVID-19 STATUS

There are four villages in Mudukulathur block, wherein five families were kept in home quarantine since they have a travel history of coming from aboard and Chennai. As on date, there are no positive cases in the block.

In Thiruchuli block, one person from KM Kottai found to have symptom. He was kept at home quarantine for further surveillance with special attention from the health department.

In Azhagapuri village of Narikudi block one auto driver found to have symptoms and voluntarily reported for the checkup. But the results showed negative and he was allowed to go home.
