

Rapid Assessment on Disaster and Response Report

Region: Latehar

State: Jharkhand

LATEHAR REGION

DHAN Foundation' Jharkhad region works in two districts viz., Ranchi and Latehar. In Latehar block, DHAN Foundation is working with 2200 member families (150 groups). Out of 2200, 400 families are landless, who are employed as agriculture wage labourer. Due to lockdown, their livelihood got affected. 1500 families belong to small and marginal farmers. This season is the harvest season and due to lack of transportation facilities, the farmers are unable to sell their produces. Around 200 members work as masons and their livelihood got affected due to the lockdown.

Voice of the Community

Facilitating their produces to the markets

Need for fertilizers

Health facilities (people are becoming sick due to malaria and typhoid fevers)

Women with Anaemia are demanding additional care and support

50 families are expecting reduced tuition fees for their children after lockdown
