PAMBAR REGION
DHAN Foundation working locations in Pambar region falls under rural areas. The rural areas in Pambar region are having strong communal bondages and having access to food materials (storing in advance) and managing the lockdown without much trouble. The agricultural season in Pambar region is already finished and hence farmers’ operations are not disturbed.

FEDERATION EFFORTS
DHAN’s Pambar field team is creating awareness in each location through phone calls, WhatsApp messages and maintaining constant communication with our members. The Vayalagam leaders and members are involved in creating awareness on COVID 19 among the villagers. The region has prepared a template and circulated to all its locations to track the covid-19 status.
