VIJAYAPURA REGION

DHAN Foundation’s Vijayapura Region works in two district of northern part of Karnataka viz., Vijayapura and Belagum covering two blocks – Indi and Gokak. The region is having 369 SHGs working with 5214 families. The majority of the members’ livelihood is agriculture and allied activities. The significant number of families’ incomes source due to seasonal migration, occupational migration and other migrations.

COVID 19 IN VIJAYAPURA REGION

Vijayapura and Belagum districts shares their borders with Maharashtra. Hence two district administrations have issued high alerts. In the region, as of now no cases are recorded but 262 members were under home quarantined who returned from other states.

INITIATION IN THE REGION:

DHAN Foundation regional staff has provided groceries to all our members in the two blocks

“Villagers are keeping distance with their families who returned from Maharashtra and other states due to the fear of the infection”

“In the Indi block, 85% people migrate to nearby states to work as wage labourers. Due to lockdown they’ve lost their livelihood and returned to their respective villages”
